

5th Annual **OPERATION WARM CHRISTMAS** presented by

Paitson Bros. Heating & Air Conditioning & Lennox Industries have a 96-year history of working together in the Wabash Valley to deliver quality products and service to our customers. This Christmas, we want to give back to our community in a meaningful way: by providing two deserving families with a brand new Lennox heating system.

Find out more and get a digital version of this application at www.paitson.com!

PROGRAM GUIDELINES

- Lennox Industries will supply either a **ML195** high-efficiency gas furnace or **CBX25** electric air handler to two selected nominees. Paitson Bros. Heating & Air Conditioning will supply thermostat and all necessary gas pipe, venting, and duct modifications, as well as necessary installation labor, including one year installation labor warranty.
- Nominations are for **Vigo, Clay, Parke, Vermillion, and Sullivan Counties, IN** or **Edgar, Clark, and Crawford Counties, IL** only.
- Nominations will be accepted through **5:00 PM on Friday, December 15, 2017**. If mailed, nominations should be postmarked by **Wednesday, December 13, 2017**.
- Nominations may be emailed to **bjackson@thfbc.org**, faxed to **812-877-9622**, or delivered by mail or in person to **First Baptist Church of Terre Haute, Operation Warm Christmas, 4701 E. Poplar Drive, Terre Haute, IN 47803**.
- Nominations will be considered and final decision made by First Baptist Church of Terre Haute Deacon Ministry Team. No Lennox or Paitson Bros. employees will be involved in the decision making process.
- Final determination will be made by **Sunday, December 31, 2017** and all nominees will be notified of acceptance status, whether accepted or not.
- Targeted date of installation is **Saturday, January 6, 2018**. Final installation schedule will be determined by Paitson Bros.
- **Home Requirements:** Nominations are for homeowners only, no tenants. Homeowner must be able to legally enter into contract with Paitson Bros. Heating & Air Conditioning. Nominations are for replacement forced air gas or electric heating equipment only (no fuel oil, hot water boilers, electric baseboard, or electric cable heat). Home ductwork must be in good or reasonably good condition. Selected nominees must have necessary utilities paid and supplied to home in advance of installation date. Homeowner must provide a clear path to the furnace and around the furnace, as well as to any necessary spaces such as home electric service and thermostat.
